Your Journey From Vision To Reality

01

Discovery & Vision Call.

We start with a deep dive into your goals, audience, and vision to align on the perfect experience.

02

Custom Concept Design.

We craft a tailored concept and storyboard that brings your vision to life with creative precision.

03

Technical Pre-Production.

Our team handles planning, animation, and technical preparation to ensure seamless execution.

04

On-Site Setup & Rehearsal.

We arrive, set up, and run full rehearsals to guarantee every detail is flawless before showtime.

05

Live Cinematic Execution.

We deliver a breathtaking visual experience that captivates your audience and elevates your event.

What Our Clients Say

“

'The projection mapping at our wedding was nothing short of a miracle — every guest was in tears of awe.'

— Priya & Arjun Mehta, Destination Wedding, Udaipur.

“

'Events Mapping 7X transformed our venue into a world that didn't exist before. Truly cinematic.'

— Radhika Sharma, Luxury Wedding Planner.

The Events Mapping 7X Promise

Every projection we design is an emotion.
